Program Terms and Conditions for Participation

Eligibility: To be eligible for a rebate up to $200, you must be a residential water customer of City of Livermore, City of Pleasanton, or Dublin San Ramon Services District with an active account in good standing. (If you are a Cal Water customer, visit www.calwater.com for rebate information).

Only clothes washers listed on the ENERGY STAR® Most Efficient Product List (https://data.energystar.gov/Active-Specifications/ENERGY-STAR-Most-Efficient-Clothes-Washers/d36s-eh9f/data) that are ordered, purchased, and installed by June 30, 2021 qualify for rebates. There is a limit of one rebate per household. Qualifying clothes washer must remain at the installation site for a minimum of six months after installation date.

Application (including all supporting documents) must be postmarked or emailed to Zone 7 within 60 days of purchase or installation. Proof of installation may be required. Late applications will not be accepted.

Clothes washers that are resale units, leased, rebuilt, rented, received from warranty or insurance claims, exchanged, won as a prize or have had new parts installed in an existing unit, do not qualify. Clothes washers with silver ion technologies and clothes dryers also do not qualify for this rebate. Residents cannot receive multiple rebates for the same product or equipment from more than one California investor-owned utility or third-party water efficiency program offering rebates, financing, or other rebates funded from more than one water agency. The rebate amount may not exceed purchase price (not including taxes).

Rebate Processing: This rebate is not issued as a check, instead you will receive a rebate credit on your water bill. It generally takes up to six to eight weeks to receive a rebate credit to your water account for qualifying product(s) after receipt and approval of your completed application with all required documentation. If an application is selected for an onsite inspection, additional processing time may be needed.

Release of Liability: I understand this signed and dated “High-Efficiency Clothes Washer Rebate Program Application Form,” all appropriate proof(s) of purchase, and other required documentation as described in this application must be submitted with the application. I understand that the Agencies (Zone 7 Water Agency, City of Livermore, City of Pleasanton, and Dublin San Ramon Services District) may deny any application that does not meet the rebate requirements.

I agree to allow Agencies to inspect clothes washer installations as a condition to obtaining a rebate under this program. I will allow, if requested, reasonable access to my property to verify the installed product I have purchased before a rebate is issued.

I understand that this rebate program will end on June 30, 2021 or sooner, if allocated funds are depleted. Details, such as rebate amounts and eligible clothes washers, are subject to change or end at any time without prior notice. Offer void where prohibited or restricted by law. Agencies reserve the right to alter this program at any time. Funding for this program is limited to available resources. Rebates are processed on a first-come, first- served basis and will only be processed until funds are depleted.

I understand installation of qualifying clothes washers may not result in lower water bill(s) and authorized third party and the Agencies do not guarantee any clothes washer or installation to be free of defects. Nor do they guarantee the quality of workmanship, or the suitability of the premises for the clothes washer installation. I agree to indemnify and to hold harmless the Agencies and their Affiliates, Subsidiaries, Parent Company, Authorized Third Parties and the respective Officers, Directors, Agents, and Employees of the foregoing against all loss, damage, expense, fees, costs, and liability arising out of or in any way connected with installation of a clothes washer.

I understand Agencies are not responsible for items lost or destroyed in transit through the mail or electronic medium. Original applications will become the joint property of the Agencies.

By signing this form, I agree that I have read, understand, and agree to the terms and conditions of this rebate program.
