Come get your “feet wet” at Zone 7 Water Agency! Gain valuable work experience with an exciting paid Intern opportunity supporting our Finance and Budget Section!

AGENCY DESCRIPTION

Zone 7 supplies treated drinking water to retailers serving over a quarter million people in the Tri-Valley area including the cities of Pleasanton, Livermore, Dublin and, through special agreement with the Dublin San Ramon Services District, to the Dougherty Valley area. Additionally, we supply untreated water directly to agricultural businesses for irrigation of 3,500 acres, primarily South Livermore Valley vineyards. We also maintain 37 miles of local flood-protection channels; about a third of all the Valley’s channels and creeks.

POSITION DESCRIPTION

This full-time paid summer intern assignment, approximately late May to mid-to-late September depending on the school schedule will support the agency's Finance section by assisting with projects and tasks such as:

- Assist with developing the two-year digital budget book
- Assist with four-year wholesale water rate study
- Assist with untreated water rate study
- Gain experience on rate setting and budgeting

Clear training and objectives will be provided to help develop skills for potential career opportunities in the financial and water utility industry. You will gain valuable experience learning about the financial and budgetary analysis process.

MINIMUM QUALIFICATIONS

- Current enrollment or recent graduation (within last year) from a college or university, and successful completion of the equivalent of 30 semester (45 quarter) units of classwork
- Possession of a valid California Driver's License
- Ability to work in the field and office as needed
