By: Kathy Narum
President, Board of Directors

PURPOSE AND GUIDING PRINCIPLES

The purpose of the Legislative Framework (Framework) is to provide the Board, Legislative Committee (Committee), staff, and the public with an understanding of what actions may be taken by Zone 7 Water Agency (Agency) to address legislative concerns. Additionally, this Framework explains the process for engagement and contains guiding principles, goals, focus areas, strategies for engagement, position definitions, and the Legislative Platform – which will be reviewed and updated annually to reflect changing conditions and needs.

The guiding principles for legislative engagement by the Agency, its staff and Board are representative of adopted policies/plans, and frames the legislative interests with respect to the Agency’s mission, vision, and values. In addition to these, the other primary guiding document for evaluating legislation is the 2025-2029 Strategic Plan, which was updated and approved by the Board on November 20, 2024. Legislative action may also be considered for topics that were not known at the time of adoption provided they fall within the broader goals. Staff routinely review and comment on regulatory matters separately.

GOALS

Advocate the Agency’s legislative interests at the:

- State
- Region
- Federal Levels

Inform by providing information to:

- Legislators, Board of Directors, other elected officials and staff on key issues and legislation that could have an impact on the Agency

Serve by actively participating with:

- Other water purveyors and special districts, the Association of California Water Agencies (ACWA), California Special Districts Association (CSDA), California Municipal Utilities Association (CMUA) and regional agencies on legislative/regulatory issues that are important to the Agency

STRATEGIES FOR LEGISLATIVE ENGAGEMENT

Communication:

Communicate legislative positions on proposed federal, state, county and local legislation, measures, initiatives, and governmental regulations.

- Work with legislative advocates to develop positions on proposed legislative measures.
- Review positions taken and analysis produced by the Association of California Water Agencies (ACWA), California Special Districts Association (CSDA), California Municipal Utilities Association (CMUA), and others in formulating Agency's position.
- The Agency will only take positions on proposals that clearly impact our Agency or state water policy.
- Actively track key bills through the legislative process.
- Communicate the Agency's position through correspondence, meetings, and testimony, if necessary.
- Meet with legislators and their representatives to discuss issues, proposed legislation, and educate them on Agency services.
- Develop an Annual Legislative Communications Plan.

Advocate and Seek Funding:

- Seek federal, state, regional, and county funding for Agency projects.
- Advocate and request letters of support for Agency projects and grant applications.

PROCESS

Government Relations Manager will monitor and review legislation in conjunction with membership organizations, the Agency's advocacy consultant, and the General Manager. Bills that clearly fall within the purview of the major legislative reference documents – the Strategic Planning priorities, Agency mission, and Legislative Platform – will be evaluated for Agency positions and actions. Bills that have more tenuous ties to the reference documents or may warrant more extensive political action, will be presented to the Legislative Committee for consideration of a formal recommendation to the Board for positions. If the Agency's position includes a request for bill amendments, the Board approval will include the position that the agency would move to should amendments be adopted. Letter outlining the Agency's position will be signed by either the Board President or in their absence, the General Manager.

Membership organizations often request immediate action to join with them in advocating a position on a specific bill. In these instances, staff will use the Legislative Platform to determine if the Agency's logo should be added to the position letter. Other agencies and membership organizations may have slightly different positions or may include rankings in their positions to indicate the level of effort that will be employed in their advocacy. When joining with membership organizations, staff will review the positions for consistency in spirit with those adopted by the Agency. The following describes positions the Agency make consider and encompasses those most frequently used by membership organizations.

POSITIONS

- **Support (S)** — Agency actively supports the proposed legislation.
- **Support if Amended (S/A)** — Agency will actively support the proposed legislation, if it is amended to address specific shortcomings identified by the Agency.
- **Favor (F)** — Agency will join with other organizations in support but will not engage separately in advocacy for the measure.
- **Favor, if Amended (F/A)** — Agency will join with other organizations in support, if legislation is amended to address specific shortcomings identified by the Agency, but will not engage actively in advocacy for the measure.
- **Watch (W)** — Measures or general issues have not been sufficiently defined for a formal position.
- **Neutral (N)** — Agency determines that a formal position no longer meets the Agency objectives.
- **Not Favor (NF)** — Agency will join with other organizations in opposition, but will not engage actively in advocacy against the measure.
- **Not Favor Unless Amended (NF/A)** — Agency will join with other organizations in opposition, unless the legislation is amended to address shortcomings identified by the Agency, but will not engage actively in advocacy against the measure.
- **Oppose Unless Amended (O/A)** — Agency will actively oppose the proposed legislation unless it is amended to address specific shortcomings.
- **Oppose (O)** — Agency actively opposes the proposed legislation.

Zone 7 Water Agency 2025 Legislative Platform

The purpose of the Legislative Platform (Platform) is to define interests and concerns of the Agency for evaluating legislation. The priorities identified in the Platform mirror the goals of the 2025-2029 Strategic Plan. Positions will be evaluated for support or opposition based on alignment with the Agency's Mission, Vision, Values, and priorities of the Strategic Plan.

Reliable Water Supply and Infrastructure/Safe Water/Groundwater Management:

- Join membership organizations or separately take positions on legislation that may impact the Agency's ability to provide customers with a reliable, sustainable, or affordable water supply, manage and protect the groundwater basin, meet the goals of the Agency's Water Quality Policy, and provide adequate infrastructure.
- Join membership organizations or separately take positions on legislation that may impact the Agency's ability to operate as the Groundwater Sustainability Agency (GSA) or impacts local control.

Effective Operations/Flood Protection:

- Join membership organizations or separately take positions on legislation that may impact Zone 7's operational functionality – including energy, infrastructure, agency administration, governance, construction, maintenance, permitting, project delivery, safety and security.
- Join membership organizations or separately take positions on legislation that may impact Zone 7's ability to operate as a special district, water supplier, flood protection manager and government organization.

Fiscal Responsibility/Workforce Excellence:

- Join membership organizations or separately take positions on legislation that impacts Zone 7's ability to manage revenue, administer financial accounts, achieve fiscal stability, and maintain a skilled, motivated, professional workforce.
- Joint membership organization or separately take positions on legislation that may impact the affordability of Zone 7's water or flood protection services.

Energy Planning and Investment:

- Join membership organizations or separately take positions on legislation that may impact energy projects and programs, including agreement structures, funding, financing, permitting, construction, maintenance, and accessibility.
